

## MUNICIPAL CHARTERS

defined as being a number assigned to a certain bicycle by the agency administering this Ordinance.

Manufacturer's Number - Manufacturer's Number is defined as any indentifying number, serial number or other distinguishing number or mark or trade name or plate placed upon a bicycle by its manufacturer or distributor in the regular course of business, or placed or restored upon a bicycle by authority of the agency administering this Ordinance.

Section 9-2. Proper riding control; compliance with traffic regulations.

The rider or operator of a bicycle on any of the streets of The City of Hagerstown shall have said vehicle under proper control at all times and shall not operate or propel the bicycle on any of the streets of the City recklessly or at a rate of speed greater than is reasonable and proper, and shall not use the streets or highways so as to endanger the property of any person. All operators of bicycles shall at all times comply with all other traffic regulations in force in the City of Hagerstown and pursuant to the traffic regulations for the State of Maryland.

Section 9-3. Sidewalk Riding.

It shall be unlawful for any person to ride any bicycle or motor vehicle as defined in this Ordinance on or over the public sidewalks of the City.

Section 9-4. Operation of Bicycles and Motor Vehicles in Parks or Playgrounds.

It shall be unlawful for any person, operator, or group of persons to ride or operate a bicycle or motor vehicle as defined in this Ordinance in any park or playground owned, operated and maintained by The City of Hagerstown, except in those areas designated by the Board of Park Commissioners as "riding areas" or except in such areas as are public ways or public highway or roads and commonly used as such in said park or playground areas.

Article II  
Registration

Every bicycle, whether new or used, shall be registered with the Police Department for The City of Hagerstown. The Chief of Police is hereby designated as the chief administrative officer to promulgate rules and regulations and handle the proper administration for the registration of said bicycles.
