

## MONTGOMERY COUNTY

repeal and re-enact, with amendments, subsection (b), title "Fire prevention and protection" to provide instead for fire prevention plan review and licensing; and to add a new subsection (e), title "Solid Waste Management"; to add a new Section 2-16F, to create a Department of Fire/Rescue Services to provide for a central responsibility for decision-making and coordination of the fire and rescue related services provided by the County government, including communications, training and fire prevention functions; to add a new Section 2-16G to create a new Department of Transportation to provide for all former services performed by the Department of Public Works, with the exception of solid waste management, and to transfer solid waste responsibilities to the Department of Environmental Protection; to provide that the functions of the Department of Transportation are to include transportation operations, engineering, traffic engineering, parking, street construction, street maintenance, street cleaning, equipment maintenance, subdivision development, rights-of-way acquisition, and the handling of all operational responsibilities of the County relating to transportation, including mass transit, airparks and landing fields and regulation of public transportation insofar as the County has now or is granted such authority by law; to add a new Section 2-16H, to create an Office of Facilities Management and Services, with the functions of building maintenance, property management, central duplicating and communications; and to add new Sections 2-16I and 2-16J correcting Code references.

BE IT ENACTED BY THE COUNTY COUNCIL FOR MONTGOMERY COUNTY, MARYLAND, that -

Sec. 1. Section 2-80, title "Created; director," and Section 2-81, title "Composition; functions," Chapter 2, title "Administration," of the Montgomery County Code 1965, as amended, pertaining to the Department of General Services be and are hereby repealed.

Sec. 2. Section 2-16D, Chapter 2, title "Administration," subtitle, "Department of Environmental Protection," of the Montgomery County Code 1965, is hereby amended by repealing and re-enacting, with amendments, subsection (b), title "Fire prevention and protection," and by adding a new subsection (e), title "Solid Waste Management," to read as follows:

2-16D. Department of Environmental Protection.

(b) Fire Prevention Plan Review and Licenses. The
