

the United States Department of Agriculture, who shall be nonvoting members; and

[ (7) ] (8) Other representatives of cooperating State and federal agencies serving as consultants to the Committee as selected by the Committee.

(b) The Secretary shall appoint the soil conservation district supervisors from recommendations submitted by the district supervisors of each area represented. Each supervisor shall be from one of the following [three] FOUR geographic areas:

(1) Area No. 1: Garrett, Allegany, Washington County, Catoctin, Frederick, AND Carroll[, Baltimore County, and Harford] soil conservation districts;

(2) Area No. 2: [Montgomery, Howard,] Anne Arundel, Prince George's, Charles, St. Mary's, and Calvert soil conservation districts; [and]

(3) Area No. 3: [Cecil,] Kent, Queen Anne's, Caroline, Talbot, Dorchester, Wicomico, Worcester, and Somerset soil conservation districts[. ] ; AND

(4) AREA NO. 4: BALTIMORE COUNTY, HARFORD, MONTGOMERY, HOWARD AND CECIL SOIL CONSERVATION DISTRICTS.

(c) The term of each supervisor APPOINTED AFTER JULY 1, 1974, is [three] FOUR years. EACH SUPERVISOR SHALL SERVE UNTIL HIS SUCCESSOR IS APPOINTED. A supervisor may not serve as a member more than two full successive terms[, except a member appointed prior to July 1, 1971, is eligible for one additional full term]. Every other member shall hold office as long as he retains the office by virtue of which he is serving on the Committee.

(d) An appointment to fill an unexpired term shall be made in the same manner as for a full term.

8-204.

The Committee may accept any allotment of federal funds and commodities [granted for study and control of shore erosion]. It may manage and dispose of it in whatever manner may be required by federal law.

8-302.

(b) Each supervisor shall be interested and knowledgeable in conservation of soil, water, and related natural resources. By training and experience, each supervisor shall be qualified to perform the specialized
