

For the same Lord's property in the part specified the doth come  
 hereto the County Court of the same Lord's property held for West for Kent  
 County at Westchester Town in the same County the third Tuesday of  
 August Anno Domini Seventeen hundred thirty six Before James  
 Harris Esq. and his Associates the said Lord's property his Justice of  
 the same County Court and for the same Lord's property doth give the  
 same Justice hereto understood and be informed that Samuel  
 Thomas late of St. Pauls parish in the County of York was and  
 continued overseer of the main Roads in the same County which lead  
 from Mr. Wilmore Mill to Langforde Way Mill from Grand  
 Branch to Cap<sup>n</sup> Blackwaters Gate and from Fall Old road  
 to Mr. Wilmore Mill from the third Tuesday in November Anno  
 Domini Seventeen hundred thirty five to the Day of the Exhibition  
 of this Information in due & legal manner appointed, Authorized  
 and Qualified which Roads do lead to the parish Church within  
 St. Pauls parish and in the said County and to the publick Court  
 house at Chester Town in the County and that the same Samuel  
 Thomas during all the said time did not clear & well grub the main  
 Roads or any of them of drows trees and grubs now there in  
 standing growing and being so that the said Roads should be  
 twenty feet wide clear nor cause the said Roads nor any of them  
 to be cleared and grubbed and that the said Samuel Thomas  
 during all the time and did not clear nor fell nor way Dead trees on  
 Each side of the said Roads now standing and being the Liberty  
 whereof do hang over the said Roads nor cause them to be fallen  
 and that the same Samuel Thomas during all that time did not  
 mark drows unmarked trees growing on Each side the said  
 Roads and Every of them so to clear and grub nor cause them  
 to be cleared and grubbed and the same Dead trees on each side  
 of the said Roads standing to fall or cause them to be fallen &  
 the same unmarked trees on Each side of the said Roads  
 growing with hoo Notther to Mark or cause them to be marked  
 During all the time and both to have totally neglected and  
 professed, and of it and for want of which clearing & grubbing  
 the said Roads and of falling the same Dead trees the  
 Large Subjects of our said the King that now is, without  
 great
