

submission of plans for approval and record as he may deem reasonable and proper. Before plans are drawn, or application filed, for a prospective system of water supply, sewerage or refuse disposal, a preliminary statement concerning the improvement may be made to the Secretary of Health and Mental Hygiene whereupon if requested, he shall outline the general requirements of the case conformity with which would meet with [the] his approval. When application is made to the Secretary of Health and Mental Hygiene for a permit under the provisions of this section, it shall be the duty of the Secretary of Health and Mental Hygiene to examine the application without delay, and, as soon as possible after submission of the application, to issue the permit, disapprove the application, or state the conditions under which the permit will be granted.

493A.

(a) The Board may establish mandatory continuing education requirements for podiatrists licensed in this State as a condition to their being registered in accordance with this [section] SUBTITLE.

(b) This section does not apply to registrants who pay their annual registration fee but do not practice in Maryland during the year.

(c) Any individual applying for initial registration under this [section] SUBTITLE shall be exempted from this requirement, and the Board may, at its discretion, register any licensee if the licensee proves subsequent compliance with the provisions of this section.

524.

(a) The Board may reprimand any person or suspend, revoke, or refuse to renew the license of any person whom the Board finds:

(4) Has admitted, in writing or under oath, acts or omissions in the course of an official investigation by an authorized public official or public body which would constitute a crime involving moral turpitude or a violation of the State election laws, whether or not the person is subsequently prosecuted[:]; or

690.

(a) It is hereby declared to be the policy of the State of Maryland to maintain that degree of purity of the air resources of the State which will protect the
