

program;

(2) Continuously monitor the effectiveness of this program and perform evaluative research of the program through the [State Commission] OFFICE on Aging;

(3) Contract, where feasible and desirable, with public agencies, non-profit private organizations, and volunteer groups for the provision of community home care services and group nutritional dining services;

(4) Provide funds for the training of individuals to perform community home care services and for administrative costs of the community care services program;

(5) Utilize to the extent available grants from federal, State, and other public or private sources to fund a community home care services program.

SECTION 6. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1975.

Approved April 22, 1975.

CHAPTER 262

(House Bill 660)

AN ACT concerning

Water Quality Loan of 1975

FOR the purpose of authorizing the creation of a State debt in the aggregate amount of Fifty Million Dollars (\$50,000,000), the proceeds thereof to be used to provide State grants to assist in the construction and equipping of sewage treatment plants and related facilities and in the construction, extension, and improvement of existing public sanitary sewer systems, and to assist in the construction of temporary sewage treatment plants and related facilities; establishing conditions of eligibility for such State grants and limitations thereon; providing generally for the issue and sale of bonds evidencing such loan, and providing, under certain circumstances, that general funds be used to pay the principal and interest on said bonds; repealing and re-enacting, with amendments, Section 5(b) of Chapter 286 of the Acts of 1974, to amend
