

to firms who have requested such notification.

(3) Upon request, the board shall furnish to each interested firm a comprehensive description of the nature and scope of the professional services to be procured. The description shall be prepared by the using authority or the Department of Transportation, [or] any modal administration thereof[.], OR THE MARYLAND TRANSPORTATION AUTHORITY.

(4) The board shall recommend to the Board of Public Works, on the basis of the competitive method of selection and the price and technical information obtained, from which firm the architectural or engineering services should be procured. Each board shall assure that the recommended firm has the financial capacity to provide the services and to protect the State from the errors and omissions arising from the services performed directly, or by third parties relying on the completed design or work product. Each board shall submit a statement with each recommendation indicating the reasons for the selection. Such statement shall serve as public notice of the selection.

(5) The transportation professional services selection board or the general professional services selection board may provide, upon request by a municipality, county, school board or other political subdivision, and upon reimbursement of the costs involved, advisory services in procuring architectural and engineering services.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1975.

Approved April 22, 1975.

CHAPTER 305

(Senate Bill 259)

AN ACT concerning

Aviation - Registration of Aircraft

FOR the purpose of providing for a transfer of registration with the State Aviation Administration from one aircraft to another aircraft, under certain circumstances and in accordance with certain
