Article 66 1/2 - Vehicle Laws

14-102.

(a) No vehicle, other than farm equipment and implements of husbandry, in excess of 96 inches in width, exclusive of approved safety equipment, including the load thereof, except traction engines and any load of forage crops in connection with harvesting operations where the distance of hauling is less than 5 miles on highways of the State, shall be operated on any highway in this State, and no traction engine in excess of 100 inches in width, exclusive of approved safety equipment, shall be operated on any highway, without the special permission of the State Highway Administration in the case of a road under its jurisdiction, or the permission of the city authorities in the case of a city street, or the permission of the county authorities in the case of a county highway. [Provided, however, that] HOWEVER, nothing in this subsection shall be construed to prevent the operation upon any street or highway in this State, of a motor vehicle loaded with tobacco hogsheads OR SOD and having an overall width when loaded not in excess of 103 inches, exclusive of approved safety equipment. [Providing further that] FURTHER, nothing in this subsection shall be construed to prevent the operation upon any street or highway in this State of farm equipment, implements of husbandry, or motor vehicles transporting farm equipment or implements of husbandry.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1975.

Approved April 22, 1975.
