

applied to debt service with respect to outstanding bonds or other evidences of debt heretofore issued by such county or any municipality within that county for construction, reconstruction or maintenance of roads or streets to the extent that gasoline tax revenues have heretofore been lawfully dedicated, pledged or otherwise committed to such debt service; it being the intent thereof that any such dedication, pledge or commitment remain unimpaired and continue as a charge against the county's share of the five cent gasoline tax to the same extent as it constituted a charge against any gasoline tax revenues under prior laws. Without limitation of the generality of the foregoing, the amounts heretofore required to be paid each year under Chapter 317 of the Acts of 1935 shall be deemed to be commitments hereunder so long as any of the bonds therein referred to are outstanding.

(2) The remainder of the county's share shall be used solely TO FINANCE THE COST OF TRANSPORTATION FACILITIES AS DEFINED IN SECTION 1 OF ARTICLE 94A, for the construction, or maintenance of county roads, or for debt service with respect to bonds or other evidences of debt hereafter lawfully issued for such construction, reconstruction, or maintenance by the county or by a municipality within the county which is not receiving its own share under subsection (e) of this section.

(e) The State Treasurer, upon warrants of the Comptroller, shall pay over the share of each municipality which has made a request therefor under subsection (b) hereof, at monthly intervals or at such other appropriate times as may be reasonably requested, as follows:

(1) First, to the county commissioners of the county within which the municipality lies, sufficient amounts to reimburse the county's share for any funds paid therefrom under subsection (d) (1) for debt service on bonds or other evidences of debt heretofore issued by the municipality.

(2) The remainder of the municipality's share, to or on the order of the proper officials thereof, to be expended solely TO FINANCE THE COST OF TRANSPORTATION FACILITIES AS DEFINED IN SECTION 1 OF ARTICLE 94A, for the construction, reconstruction or maintenance of roads or streets, or for debt service with respect to bonds or other evidences of debt which may hereafter be lawfully issued by the municipality for such construction, reconstruction or maintenance.

(f) No distribution as provided in this section shall be made to any county or municipality, however,
