

FOR the purpose of authorizing the issuance of bonds of the Washington Suburban Sanitary District in an aggregate principal amount not exceeding \$3,500,000 for paying the cost of storm water, surface drainage or flood control projects or systems in the Prince George's County portion of the District, including the payment of any portion of the costs of sanitary sewer or water supply facilities resulting from the construction or planned construction of such storm water, surface drainage or flood control systems, and for the purpose of financing the rehabilitation, restoration and capital improvements of the marina and boat basin and its adjacent waterways in Prince George's County, in support of the activities of the Prince George's County American Revolution Bicentennial Commission, and, for the purpose of providing an alternate remedy for flood and storm water conditions, taking into account public interest factors of environmental enhancement, engineering feasibility and economy of system construction and operation, to pay the cost of acquiring land, interests in land and structures thereon in flood plains, which property will than be held, or transferred to other governmental agencies for public use, with restrictions and limitations against use thereof for habitation, commercial or industrial activity, and to authorize the issuance of notes in anticipation of the issuance of such bonds, and to provide for the payment of such bonds and notes and the interest thereon.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(a) For the purpose of paying the cost of storm water, surface drainage of flood control projects or systems and carrying out the provisions of Chapter 526 of the Laws of Maryland of 1943, as amended by Chapter 917 of the Laws of Maryland of 1945, and Chapter 732 of the Laws of Maryland of 1947 with respect to storm water and surface drainage systems, including the cost of any engineering or other surveys of storm water, surface drainage or flood control needs in that portion of the Washington Suburban Sanitary District situated in Prince George's County, and for the purpose of paying for or towards the construction in that portion of the Washington Suburban Sanitary District of any storm water, surface drainage or flood control project or system which is the subject of an agreement between the Washington Suburban Sanitary Commission and another governmental or public authority, commission or agency pursuant to Chapter 228 of the Laws of Maryland of 1959 or any other
