[[[]]Subtitle 4. WILD AND Scenic Rivers Review Board and Related Program

8-401.

Many of the rivers of Maryland or portions of them and related adjacent land areas possess outstanding scenic, fish, wildlife, and other recreation values of present and potential benefit to the citizens of the State. The policy of the State is to protect the water quality of these rivers and fulfill vital conservation purposes by wise use of resources within this scenic AND WILD river system. Development of a scenic AND WILD rivers system is essential to fulfill these purposes.

8-402.

(a) A scenic AND WILD rivers program is created and continued. The following rivers, including their tributaries, are the initial components of the state scenic AND WILD rivers system: The Anacostia, Deer Creek (Harford County), Monocacy, the Patuxent, Poconoke, Potomac River in Montgomery and Frederick counties, Severn, Wicomico in Charles County, and Youghiogheny.

(b) The Secretary shall administer the provisions of this subtitle. He shall formulate and implement a program to carry out the purposes of the Scenic AND WILD Rivers Program for each designated river including any other river designated subsequently as part of the system. The Program shall provide for wise management of
