

authorized by the commission in excess of the available unencumbered approved budget amounts plus ten percent thereof for each park and recreation project and for each administrative or operating department or function of the commission, and for each planning project contained in the planning work program for each county, unless approved by either or both county councils, as the case may require, after receipt of recommendations from either or both county executives, as the case may require.

(b) Prior to October 1st of each calendar year, the commission shall prepare and submit to the county governing body of Prince George's County and the county executive and county council of Montgomery County a six-year capital improvements program. The capital improvements program shall include a statement of the objectives of the capital programs and relationship of these programs to the county's adopted long range development plans; shall recommend capital projects and a construction schedule; and shall provide an estimate of cost, a statement of all funding sources. The capital improvements program shall include all programmed parkland acquisition, all major parkland improvement, development and major acquisition of equipment. In Montgomery County, the county executive shall submit his recommendations with respect to the commissioner's proposed program (including any suggested amendments, revisions or modifications) to the County Council as an integral part of the comprehensive six-year capital improvements program required by the Charter for Montgomery County.

Each county governing body shall, on or before adoption of its annual budget and appropriations resolution, adopt the six-year capital improvements program. Such adoption shall occur only after public hearings thereon which may be conducted in conjunction with public hearings on their own and other agencies' six-year programs or capital budgets. In its adoption, the county governing body may make such amendments, revisions or modifications as it may determine. Any such amendment, revision or modification shall not become final until submission to the commission for written comment on at least [thirty] 30 days' notice.

The capital budget of the commission for the succeeding fiscal year shall include such projects so as to be in full conformity with that part of the capital program adopted for the first of the six-year program. No such capital project [shall] MAY be undertaken, in whole or in part, which is not in conformity with that part of the program applicable to that year unless the same shall be amended by the county governing body on its own initiative or at the request of the commission and
