

(a) Land for highways, schools and other public uses. The Commission [is authorized to] MAY include in its annual budget provision for the acquisition of lands, needed for arterial limited access highways and for school sites and other public uses, except streets or roads (other than such arterial limited access highways), [[within the Regional District]] in Montgomery County. [Any such] THE arterial limited access highway, school site, or other public use must be shown upon the Commission's general plan for the physical development of the Regional District AND EACH SUCH ACQUISITION SHALL HAVE RECEIVED THE APPROVAL BY FORMAL RESOLUTION OF THE DISTRICT COUNCIL OF MONTGOMERY COUNTY. [Any such] THE arterial limited access highway or school site or other public use may not be within the road construction program or other public construction program current at the time of acquisition. No school site [shall] MAY be acquired under the terms of this section without the prior approval of the Montgomery County Board of Education.

(b) Land acquisition revolving funds. For the purposes of this section the Commission [is authorized to] MAY establish in its annual budget a continuing land acquisition revolving fund from which disbursements for the purposes of this section shall be made. None of the provisions in this [subtitle] ARTICLE relating to unexpended balances [shall apply] APPLIES to the land acquisition revolving fund.

(c) Transfer and use of lands acquired. At any time after [such] THE acquisition, the Commission may transfer the land [so] acquired in any case to any construction agency of the State [of Maryland], or to either county or to any incorporated municipality within EITHER COUNTY [[the Regional District]], upon repayment to the Commission of the funds [so] disbursed by the Commission for the land, plus interest. The amount of any [such] repayment shall be placed in the land acquisition revolving fund. If the land [so] acquired in any case is determined by the state construction agency for the county or municipality not to be required for public use, the Commission may use the land as a part of its park system, but such use by the Commission for park or recreation purposes [shall] IS not [be deemed to be] a dedication for [such] THESE purposes. If the land is determined by the Commission at any time not to be needed for park purposes the Commission may dispose of it in the manner provided elsewhere in this [subtitle] ARTICLE.

(d) The Commission [is authorized to] MAY include in its annual budget provision for the acquisition of lands, needed for arterial limited access highways and for school sites and other public uses, except streets or
