

1926, as amended. The Commission is designated as the representative of the State of Maryland, and for these purposes the Commission [is authorized and empowered to] MAY enter into [such] commitments and agreements with the [said] National Capital Planning Commission as may in the discretion of the Commission seem necessary. The Commission [is] further [empowered to] MAY act in conjunction and cooperation with other representatives or officers of the United States Government or of the District of Columbia or of the States of Maryland, including the Maryland State Planning Commission and the Washington Suburban Sanitary Commission, or of the State of Virginia or of Montgomery or Prince George's Counties or of any district, municipality, or other local or district subdivision within [said] THESE counties or within [said] THESE states.

[65.] 7-110.

The making of the general plan, including its parts, amendments, extensions, or additions, the protection of and the carrying out of the plan, and the exercise of all planning, platting, zoning, subdivision control, and all other powers granted in this [subheading] TITLE to the Commission or to the County Council of Montgomery County or the County Commissioners of Prince George's County shall be with the purposes of guiding and accomplishing a coordinated, comprehensive, adjusted, and systematic development of the Regional District, the coordination and adjustment of [said] THIS development with public and private development of other parts of the State of Maryland and of the District of Columbia, and the protection and promotion of the health, safety, morals, comfort, and welfare of the [present and future] inhabitants of the Regional District.

[66.] 7-111.

(a) Membership and powers. The members of the Commission appointed by the governing bodies of each county are designated the Montgomery County Planning Board and the Prince George's County Planning Board, respectively. They [shall be] ARE responsible for [such] planning, platting, and zoning functions [as are] primarily local in scope, as distinguished from the regional planning functions of the Commission relating to or affecting the Regional District as a planning unit. [Such] THE local functions exclusively within the jurisdiction of the respective planning boards [shall] include, but ARE [shall] not [be] limited to, the administration of subdivision regulations, the preparation and adoption of recommendations to the District Council with respect to zoning map amendments, and the assignment of street names and house numbers
