

jurisdiction over personnel performing the duties and functions assigned in this section to the respective planning boards.

(d) Nothing in this section [shall] MAY be deemed to affect powers and duties of the Commission with respect to parks and park lands[;]. The Commission, however, may delegate to the respective planning boards such powers and duties with respect to parks and park lands as the Commission may, from time to time, determine. The Prince George's County Planning Board [is further authorized and directed to] SHALL provide a program of recreation within Prince George's County, and to coordinate such program with the Commission's park functions.

(e) Expenses of local planning boards. The expenses of operation of the respective local planning boards shall be paid from the proceeds of the administrative tax collected for the Commission and from [such] funds [as may be] appropriated, in addition thereto, by the respective county governing bodies.

(f) Allocation of other functions. Functions not specifically allocated in this section shall be assigned by resolution of the Commission with the approval of the respective county governing bodies either to the Commission itself or to one or both of the county planning boards, as the occasion may arise, [in such a manner] SO as to effectuate the concept that planning functions which are essentially local or intra-county should be performed by the county planning boards.

(g) Compensation of local planning board members. Notwithstanding other provisions of this [Act] ARTICLE, funds may be included in the Commission's annual budget and appropriated by the respective county governing bodies to provide an annual salary of [Twenty-four Hundred Dollars] \$2,400 for each planning board member, other than a full-time member, as compensation for his services as a planning board member.
