

secretary-treasurer of the Commission, as [may be] necessary to meet its administrative operating expenses within either county, from any bank or institution or individual willing to lend the same. The Commission [also is authorized and empowered,] from time to time[,] ALSO MAY [to] issue and [to] renew its tax anticipation certificates of indebtedness for the same, bearing interest at not exceeding six [per centum (6%) per annum] PERCENT A YEAR; provided that the total amount so borrowed and outstanding in any fiscal year [shall] DOES not exceed [seventy-five (75) per centum] 75 PERCENT of the total proceeds received by the Commission from the administrative tax levied and collected during the Commission's preceding fiscal year within [such] THAT county. All moneys [so] borrowed within any fiscal year shall be repaid during the next succeeding fiscal year from the proceeds of the administrative tax received by the Commission from [such] THAT county in the fiscal year last mentioned.

(f) Any funds over and above that necessary for operating and administrative purposes and any other funds not specifically pledged by law which [heretofore or hereafter] remain in the hands of the Commission may be used in the respective counties of the Regional District, in the same proportion as [the same] THEY were collected from these counties, for the purchase, development, maintenance, and operation of parks therein. Any [such] funds not collected in the [said] counties may be used by the Commission [as] in its discretion [is] for the best interests of the Regional District.

[94.] 8-116.

(a) The County Commissioners of Prince George's County [is authorized, empowered, and directed] SHALL

(1) [To regulate] REGULATE through rules and regulations, which shall be uniform throughout that portion of the Regional District in Prince George's County, the construction, improvement, and demolition of all types of buildings within the Regional District, as it [may deem] DEEMS necessary;

(2) [To regulate] REGULATE and establish the size of bricks and thickness of walls that are [to be] used in the houses to be built in that portion of the Regional District;

(3) [To provide] PROVIDE for the entry into and examination of all buildings, lots, yards, and enclosures and cars, boats, and vehicles of every description in that portion of the Regional District in order to ascertain their condition for health, cleanliness, and
