No. 31

(Senate Joint Resolution 65)

A Senate Joint Resolution concerning

Business Licenses

FOR the purpose of establishing a Task Force to investigate whether the licensing, regulation and supervision programs can be self-sustaining.

There are many programs of regulations, licensing and supervision of various businesses and industry groups by the State.

These groups are profit-making organizations and their business is dependent on their operating within the State.

It is desirable that the cost of regulating and licensing and supervising these industries be borne by the industries themselves.

In this way the burden on the State of Maryland will be eased and will be taken up by those who benefit from the State's programs; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That this Body requests the Governor to establish a Task Force consisting of representatives of various departments of the State government which are concerned with licensing, regulation and supervision and that this Task Force propose a revision of fees and licenses for business and industry groups so affected so that all licensing, regulation and supervision programs will be self-sustaining based on the fees charged in connection with the programs of licensing, regulations and supervision; and be it further
