

and

WHEREAS, The increasing use of the Zoo has strained the personnel greatly, impeding program and development; and

WHEREAS, The security and safety of both personnel and visitors is constantly threatened, thereby reducing both use and development; and

WHEREAS, The Park requires immediate reforestation and corollary upkeep; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Department of Natural Resources be requested to:

A. Assist the Director of the Zoo, in enhancing this enjoyable natural asset consistent with the goals to be set by both directors;

B. Assist the Zoo in meeting security needs;

C. Assist in a cooperative effort to add to the attracting and enjoyment of visitors to this internationally known and recognized facility and resource; and be it further

RESOLVED, That copies of this Resolution be sent to the Governor; Secretary James Coulter of the Department of Natural Resources; and Mr. Arthur Watson, Director of the Baltimore City Zoo, Baltimore, Maryland.

Approved April 22, 1975.

No. 37

(House Joint Resolution 104)

A House Joint Resolution concerning

Water Pollution Control of Industrial and Hazardous
Materials and Necessary Facilities for Handling
and Disposal of These Substances

FOR the purpose of requesting the Water Resources Administration and Maryland Environmental Service to undertake a detailed evaluation of the controls and methods for the handling, storage, waste disposal and recycling of industrial and hazardous materials, and to establish storage and disposal facilities for
