No. 69

(House Joint Resolution 92)

A House Joint Resolution concerning

Decent Supply of Food

FOR the purpose of requesting [[that all residents of this State shall be assured and provided a decent and reasonable supply of human food at all times.

Every member of this Body is deeply disturbed that in the United States of America and in our great State of Maryland large numbers of people do not have an adequate supply of food.

This is doubly distressing because the United States is the richest nation on earth, and has an excess of agricultural production that can and should be distributed to people in need.

The present programs for providing needy people with food are totally inadequate and do not meet the standards for civilized society.

Therefore, this State should make every effort to ensure that each and every one of its citizens receive an adequate supply of food and do not go hungry; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That this Body requests the Governor of Maryland and every State official to ensure that each and every citizen of
