

849.

This bill provides that the Court of Appeals shall require, by writ of certiorari, that a decision be certified to it for review and determination in any case in which a final judgment has been rendered by a circuit court on appeal from the District Court under certain conditions.

House Bill 796, which was enacted by the General Assembly and signed by me on April 22, 1975, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 849.

Sincerely,
