

This bill repeals Chapter 129 of the Laws of Maryland of 1971 which authorized Baltimore City to borrow eighteen million dollars for the construction, rehabilitation and equipping of school buildings and other auxiliary facilities.

House Bill 1347, which was enacted by the General Assembly and signed by me on April 22, 1975, accomplishes the same purpose.

Therefore it is unnecessary for me to sign Senate Bill 934.

Sincerely,
