

AN ACT concerning

Maryland Environmental Policy Act

FOR the purpose of exempting from the definition of "proposed state action" under the Maryland Environmental Policy Act the rehabilitation and maintenance of [[rural]] secondary roads.

May 15, 1975.

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 455.

This bill exempts the rehabilitation and maintenance of secondary roads from the definition of "proposed state action" under the Maryland Environmental Policy Act.

Senate Bill 414, which was enacted by the General Assembly and signed by me on April 8, 1975, accomplishes the same purpose as House Bill 455.

Therefore, it is unnecessary for me to sign House Bill 455.

Sincerely,
/s/ Marvin Mandel
Governor
