House Bill No. 891 - Carroll County; Real Property Tax Credits

AN ACT concerning

Carroll County - Tax Credit

FOR the purpose of changing the requirements in Carroll County with respect to the mandatory real property tax credit for elderly persons; and clarifying language.

May 15, 1975.

Honorable John Hanson Briscoe  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 891.

This bill changes certain requirements with respect to the real property tax credit for the elderly in Carroll County by amending Section 12F(c) of Article 81 of the Annotated Code.

Senate Bill 1 (First Extraordinary Session), which I signed into law today, repealed Section 12F, and substituted a new, comprehensive system of property tax credits for those previously authorized on a local basis. This bill is inconsistent with Senate Bill 1 and could create serious problems of statutory construction, if signed.

For this reason, I have vetoed House Bill 891.

Sincerely,  
/s/ Marvin Mandel  
Governor
