

This bill authorizes Baltimore City to borrow one million dollars to finance a comprehensive system of solid waste disposal.

Senate Bill 645, which was enacted by the General Assembly and signed by me on April 22, 1975, accomplishes the same purpose.

Therefore, it is unnecessary for me to sign House Bill 985.

Sincerely,
/s/ Marvin Mandel
Governor

House Bill No. 986 - Baltimore City; Water System Bonds
AN ACT concerning

Baltimore City - Water System Bond Issue

FOR the purpose of authorizing the Mayor and City Council of Baltimore to create a debt, and to issue and sell its certificates of indebtedness as evidence thereof, to an amount not exceeding Three Million Dollars (\$3,000,000.00), the proceeds derived from the sale of the certificates of indebtedness to be used for the purpose of extending, enlarging, developing and improving the municipal water supply and the water system of Baltimore City, including, but not limited to, the construction, reconstruction and extension of transmission conduits, tunnels, and distribution mains, the increasing of the source or sources of supply, the construction of additional storage reservoirs, additions to and extensions of existing reservoirs, the construction of additional pumping stations, filter basins or plants, additions to and extensions of existing pumping stations, filter basins or plants, any or all of the work to be done either within or outside of the boundary lines of Baltimore City, and the doing of all things necessary, proper or expedient to secure a full and adequate supply of water for the City of Baltimore and its inhabitants and such other persons or other legal entities as may now or hereafter be lawfully furnished water by the Mayor and City Council of Baltimore; authorizing said municipality to submit an ordinance or ordinances for said purpose to the legal voters of Baltimore City, and providing
