beginning on the first of the month coinciding with or next following his sixtieth birthday, which will be provided in the following manner:

(i) He will elect to leave his participant's contributions in the fund of the retirement plan;

(ii) He will receive a vested ownership in a percentage of the amount of his normal retirement pension which has accrued to his date of termination. This percentage of vesting will be based on his years of service under the following schedule:

[Completed Years of Service (Elected or Appointed Officials) ]	Completed Years of Service (Employees other than Elected or Appointed Officials)	Percentage of Vesting in Normal Retirement Pension
[ 5 ]	10	75%
[ 6 ]	11	80%
[ 7 ]	12	85%
[ 8 ]	13	90%
[ 9 ]	14	95%
[ 10 ]	15	100%

(iii) The amount of pension will be computed by multiplying one and two-thirds percent of his average final earnings by his years of credited service times either

Seventy-five percent for ten years of service, [or five years of service if he is an elected or appointed official;] or

Eighty percent for eleven years of service, [or six years of service if he is an elected or appointed official;] or

Eighty-five percent for twelve years of service, [or seven years of service if he is an elected or appointed official;] or

Ninety percent for thirteen years of service; [or seven years of service if he is an elected or appointed official;] or

Ninety-five percent for fourteen years of service, [or nine years of service if he is an elected or appointed official;] or
