

MONTGOMERY COUNTY

be conducted under his supervision, and such data as he may specify to be recorded before approval of an application to install a water supply. Such data shall become a part of the application.

(c) When, upon review of the application, the Director is satisfied that the proposed design and location is satisfactory, a written permit to proceed with construction shall be issued; or, if unsatisfactory, he shall deny the permit for construction.

(d) Any defects or noncompliance with regulations or the terms of the permit found during inspection shall be corrected within ten days from date of notification. Notification shall be deemed to have been made by placement of a notice of defect on the site.

(e) Prior to the issuance of any permit under this section, the applicant shall pay to Montgomery County a fee in accordance with the schedule of fees established by the County Executive. The schedule of fees established under this section may be revised from time to time by the County Executive to an amount not to exceed the reasonable cost of administering and enforcing the provisions of this Chapter. Whenever the schedule of fees is revised pursuant to this subsection, the County Executive shall notify the County Council in writing of the revised fee schedule.

SECTION 3. Section 45-9, titled "Excreta disposal plants—Rules and regulations generally; permit fee," of Chapter 45, title "Sewers, Sewage Disposal and Drainage," of the Montgomery County Code 1972, is hereby repealed and re-enacted, with amendments to read as follows:

45-9. Excreta disposal plants—Rules and regulations generally; permit fee.

The Board of Health and the County shall, from time to time, adopt rules, regulations and specifications for the construction, reconstruction and maintenance of excreta disposal plants; and for suitability of the land for the installation of such disposal plants by reason of land area available for the system, topography and soil conditions. The County Executive may impose and revise from time to time reasonable and uniform fees for the issuance of excreta disposal permits to cover the cost of inspection.

SECTION 4. Severability.

The provisions of this Act are severable and if any provision, sentence, clause, section or part thereof is held illegal, invalid or unconstitutional or inapplicable
