With respect to stipulations or conditions which may be included in a cease and desist order, see §13-402(b).

The Commission notes that the general injunctive power granted by §13-406 contains no standards such as those required by subsection (c) of this section (e.g., "to...prevent irreparable harm") for bringing an action; also, while the provisions of this section permit an action brought by the Division, §13-406 permits only action brought by the Attorney General. Conforming legislation may be appropriate.
