

MONTGOMERY COUNTY

(c) Whenever a taxicab is used to serve jointly those passengers described in subsection (a) herein, each passenger shall pay the fare registered on the taximeter when he leaves the taxicab, except that in the case of additional, subsequent passengers payment shall be equal to the fare registered on the taximeter reduced by the amount existing on the taximeter when such passenger entered the taxicab. The taxicab operator shall be responsible for recording the taximeter fare at points where additional passengers enter the taxicab.

(d) Nothing contained in this section shall affect in any way the rates specified in subsection (b) of Section 53-19 of this Chapter for passengers riding in the same party.

Sec. 2. Emergency legislation.

The Council hereby finds that the enactment of this legislation is necessary for the immediate protection of the public health or safety and hereby declares this enactment of emergency legislation to take effect on the date on which it becomes law.

Approved March 11, 1974

Chapter 39

Bill No. 70-73

AN ACT to repeal and re-enact subsection (c), Section 20-14, title, "Definition of 'public facilities'", Article IV, title, "Financing Public Facilities Generally.," of Chapter 20, title "Finance," Montgomery County Code 1972, to provide that rescue squads would be among those public facilities for which the County is authorized to issue bonds and borrow money.

BE IT ENACTED BY THE COUNTY COUNCIL FOR MONTGOMERY COUNTY, MARYLAND, that

Sec. 1. Subsection (c), Section 20-14, title "Definition of 'public facilities'," Article IV, title "Financing Public Facilities Generally.," of Chapter 20, title "Finance," of the Montgomery County Code 1972, as amended, is hereby repealed and re-enacted to read as follows:
