

COUNTY LOCAL LAWS

(iii) It shall investigate, plan and approve new and relocated fire and rescue station locations and make appropriate recommendations to meet service needs; provided that final approval of locations shall be subject to approval by the county executive in accordance with section 20-39.

(iv) It shall establish minimum training standards for volunteer and paid personnel.

(v) It shall establish plans and procedures for the utilization of facilities by the fire and rescue services at any fire training center.

(vi) It shall establish uniform operational procedures relating to fire and rescue services communications.

(vii) It shall work with and coordinate with the Insurance Services Office of Maryland in matters pertaining to the fire and rescue services.

(viii) It shall recommend by report to the county executive procedures for centralized purchasing for all departments and squads.

(ix) It shall establish uniform budget procedures to be followed by each department and squad.

(x) It shall make provision and have the authority to adopt appropriate rules and regulations to enforce compliance with all standards adopted by the board.

(xi) It shall have the authority to adopt rules of procedure and amendments to its bylaws and appoint such committees as may be necessary for the carrying out of its duties and responsibilities. Except for the executive committee, membership of committees is not limited to members of the fire board.

(xii) The fire board through its executive committee shall furnish to the county council and county executive annually a report setting forth actions of the fire board in carrying out its responsibilities and authority delegated to it under this section.

(xiii) It shall be authorized to define and to delegate duties and responsibilities to the executive committee not in conflict with the provisions of this section.

(xiv) Where there are differences
