

## MONTGOMERY COUNTY

Department) or as a rescue squadman in a Montgomery County rescue squad if such service has not otherwise been credited. Before receiving this credited service the member shall pay the amount of contributions that would have been deducted during this period of prior service plus interest at the rate of four and one-half percent per annum to June 30, 1970, and six and one-half percent thereafter for each year from July 1, 1970, to date of full payment.

A fire alarm dispatcher who was the incumbent of a fire alarm dispatcher position brought into the County service prior to August 15, 1965, shall receive credit without additional charge, for the full period of time served in the position or as a firefighter in the same fire department, if the service was continuous.

Years of credited service of less than a full year will be pro-rated; any days of credited service in excess of fifteen days shall equal one month, and any service of less than fifteen days will not be counted.

(b) Procedures for determining credited future service.

(4) For members who have worked on both a part time career basis and a full time basis during the member's service, part-time service credits will be based on the number of hours of service rendered in a fiscal year as follows:

Each one hundred seventy six hours shall equal one month of credited service. Accumulated hours of eighty-eight to one hundred seventy six shall equal one month of credited service. An accumulation of less than eighty eight hours shall not be credited and there shall be no carry over of excess hours from one fiscal year to the next. Any member working on a year-round basis of less than thirty-five hours per week shall be considered a part-time employee and subject to the above formula.

(5) For members working exclusively on a part-time career basis as defined in the Personnel Regulations, one year's normal working time shall equal one year of credited service.

(i) Credited service for prior military service. Upon completion of five years of credited service for each member enrolled prior to June 30, 1970, or five years of continuous service for each member enrolled on or after July 1, 1970, a member who does not qualify for credited service under the provisions of Section 33-41 (c) (1) and (2), may obtain credited service for all or part of any period of military service
