

departments or rescue squads may be equipped with or display red and/or white lights or signal devices.

(3) Ambulances may be equipped with or display red and/or white lights or signal devices.

(4) Authorized service vehicles, rural letter carrier vehicles, slow moving farm vehicles and tow trucks may be equipped with or display yellow or amber lights or signal devices.

(5) [Said] THE blue, red, or white lights or signal devices may only be flashed or oscillated or otherwise used while en route to or at the scene of an emergency, and [shall] THEIR USE DOES not relieve the authorized emergency vehicle from otherwise giving an audible warning as required elsewhere in this article.

(6) [Such] THE yellow or amber lights or signal devices permitted on vehicles set out in subsection (c) (4) above shall only be flashed or oscillated or otherwise used in the course of its official duties, to indicate to the public that it is a slow moving vehicle or is otherwise impeding traffic.

(7) In addition to the penalties provided in § 17-101 (b) any person convicted of a violation of § 12-218 [shall] MAY have his driving privileges suspended for a period of [thirty (30)] 30 days, and the registration of [such] THE vehicle [shall] MAY be suspended for a period of [thirty (30)] 30 days, notwithstanding that the owner of [such] THE vehicle may not be the operator at the time of the offense, unless [said] THE owner proves to the satisfaction of the [Department] ADMINISTRATION that he had no control over the use or display of a light or signal device [that] AND could not prevent the violation of this section.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1975.

Approved April 1, 1975.
