

(1969 Replacement Volume and 1974 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That Section 12 of Article 75 1/2 - Professional Engineers and Land Surveyors, of the Annotated Code of Maryland (1969 Replacement Volume and 1974 Supplement) be and it is hereby repealed and re-enacted, with amendments, to read as follows:

Article 75 1/2 - Professional Engineers and
Land Surveyors

12.

(A) Application for registration as a professional engineer, for certification as an engineer-in-training, for registration as a professional land surveyor or for certification as a land surveyor-in-training or for registration as a property line surveyor shall be on a form prescribed and furnished by the Board; shall contain statements made under oath showing the applicant's education and a detailed summary of his technical experience; shall contain not less than five references, of whom, for a professional engineer or engineer-in-training applicant, three or more shall, unless excused by the Board, be professional engineers having personal knowledge of his engineering experience and, for a professional land surveyor or land surveyor-in-training applicant, or for a property line surveyor applicant, three or more shall, unless excused by the Board, be professional land surveyors having personal knowledge of his land surveying experience; and shall contain or be accompanied by any other relevant material or information, such as a certificate issued by the National Council of Engineering[,] Examiners or its successor. The following shall be considered as minimum evidence satisfactory to the Board that the applicant is qualified for registration as a professional engineer, or professional land surveyor, or for certification as an engineer-in-training, or a land surveyor-in-training, or for registration as a property line surveyor, respectively.

[(a)](B) As a professional engineer:

(1) Graduation from an engineering curriculum of four scholastic years or more or their equivalent approved by the Board; a specific record of an additional four years or more of experience in engineering work of a character satisfactory to the Board and indicating that the applicant may be competent to practice engineering (in counting years of experience, the Board at its
