 Whereas it appears that I omitted to date two
 Certificates for Lands Surveyed for Maj Peter Mayer in the year
 1687 I being then deputy Surveyor of Talbot County Viz one
 tract called Mayer forest of 2250 acres the other called the Gore
 of 175 acres, I do hereby Certifie that upon Examination of my
 books and papers of that time I find that both the said Certificates
 ought to bear date the ninth day of October 1687 with date. I do Consent
 that be put to them as witness my hand this tenth day of March
