Any applicant for a license, or any licensee who shall feel aggrieved by the action of the State Board of Health in failing to issue or in revoking such license, may take an appeal therefrom to any court having equity jurisdiction in the county in which the property identified by the application or license is located, or to a court having such jurisdiction in the City of Baltimore, if said property is located in said city. Such appeal shall be heard by such court as promptly as circumstances will reasonably permit. Such hearing may be had upon the record so transmitted, but the court may have such additional evidence as it may deem proper, and upon the conclusion of such hearing the court may affirm, vacate or modify the order appealed from. Either party to said proceedings may appeal from the decision of said court to the Court of SPECIAL Appeals [of Maryland].

404.

Any county, municipality, legally constituted water, sewerage or sanitary district, corporation, company, institution or person, dissatisfied with any order or regulation of the State Board of Health under the provisions of this subtitle, may commence, within 10 days after the service of such order or regulation, any action in the circuit court for any county or before any judge of the Supreme Bench of Baltimore City, in any court of Baltimore City of appropriate jurisdiction against the State Board of Health as defendant, to vacate and set aside any such order or regulation on the ground that such order or regulation is unlawful or unreasonable, or that said order is not necessary for the protection of the public health or comfort, in which action a copy of the complaint shall be served with the summons. The answer of the State Board of Health shall be filed within 10 days, whereupon said cause shall be at issue, and stand ready for trial upon 15 days' notice to either party. All such actions shall have precedence over any civil cause of a different nature, except appeals from an order of the Public Service Commission, and the said courts shall always be deemed open for trial thereof, and the same shall be tried and determined as other civil actions. Either party to said action may appeal to the Court of SPECIAL Appeals [of Maryland].
