

(b) The word "bridge" shall mean any bridge constructed by the Commission under the provisions of this subheading, and shall include and embrace a causeway alone or in conjunction with a bridge as well as the substructure and the superstructure thereof and the approaches thereto, and such entrance plazas, interchanges, overpasses, underpasses, connecting highways (including elevated or depressed highways), toll houses, administration, storage and other buildings, and other structures as the Commission may determine to construct in connection therewith, together with all property, rights, easements and interests acquired by the Commission for the construction or the operation of such bridge.

(c) The word "tunnel" shall mean any tunnel constructed by the Commission under the provisions of this subheading, and shall embrace the approaches thereto, and such entrance plazas, interchanges, overpasses, underpasses, connecting highways (including elevated or depressed highways), toll houses, administration, storage and other buildings, and other structures as the Commission may determine to construct in connection therewith, together with all property, rights, easements and interests acquired by the Commission for the construction or the operation of such tunnel.

(d) The word "motorway" shall mean any superhighway, express highway or arterial highway constructed by the Commission under the provisions of this subheading, and shall embrace all bridges, tunnels, overpasses, underpasses, interchanges, entrance plazas, approaches, toll houses, service stations, and administration, storage and other buildings, and other structures which the Commission may deem necessary for the operation of such motorway, together with all property, rights, easements and interests acquired by the Commission for the construction or the operation of such motorway.

(e) The word "project" shall mean any authorized bridge, tunnel, crossing or motorway or any improvements of any thereof constructed by the Commission under the provisions of this subheading. The word "improvements" shall mean any extension, enlargement or improvement of any authorized project.

(f) The word "cost" as applied to any project shall embrace the cost of construction, the cost of the acquisition of all land, right-of-way, property, rights, easements and interests acquired by the Commission for such construction, the cost of all machinery and equipment, financing charges, interest prior to and during construction and for one year after completion of construction, cost of traffic estimates and of engineering and legal expenses, plans, specifications, surveys, estimates of cost and of revenues, other expenses necessary or incident to determining the feasibility or practicability of constructing any such project, administrative expense, and such other expense as may be necessary or incident to the construction of
