

Provided, however, that the levy or levies provided for in this section shall not be made and the said tax or taxes shall not be collected in any year if before May 1 of the preceding year or before May 1 of any succeeding year thereafter, the Board of Public Works shall ascertain as a fact upon a certified statement rendered to such Board by the State Comptroller that all payments of principal and interest due and payable in that preceding year on the bonds or Certificates of Indebtedness issued pursuant to this Act have been paid and that funds sufficient to meet all payments of principal and interest due and payable on such bonds in the fiscal year for which the tax imposed by this section is to be levied have been received and set aside for that purpose in the Annuity Bond Fund, from the proceeds of the tax imposed under provisions of Section 278A of Article 81 of the Annotated Code of Maryland as set forth in Section 10 of this Act.
