

recreational needs of the general public; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the [[Governor be requested to appoint a commission to study the State park programs and recommend the development of the State park sites to fulfill the recreational needs of the general public, and that the commission]] Committee On Open Space be requested to study State park programs and to develop recommendations for the development of the State park sites to fulfill the recreational needs of the general public, and that the Committee be directed to report its findings and recommendations to the General Assembly of Maryland; and be it further

RESOLVED, That copies of this Resolution be sent to the [[Honorable Marvin Mandel, Governor.]] Honorable Steny H. Hoyer, President, Senate of Maryland, and the Honorable John Hanson Briscoe, Speaker of the House of Delegates.

Approved April 13, 1976.

No. 8

(Senate Joint Resolution No. 18)

A Senate Joint Resolution concerning

Coordination and Evaluation of Economic
Development Activities in Maryland

FOR the purpose of recommending that the Department of Economic and Community Development study and make recommendations for the improvement of the overall coordination of economic development activities being carried out by State and local government economic development organizations and nonprofit development corporations and major corporations; and for the establishment of an ongoing program for monitoring and evaluating such economic development activities as they relate to the overall economic development of the State of Maryland.

WHEREAS, In each local subdivision in the State of Maryland, there exists one or more organizations, whether a unit of the subdivision's government, a public nonprofit corporation, or a private voluntary organization, which engage in planning and executing programs which are designed to further and enhance the economic development of their respective localities; and

WHEREAS, Five regions of the State of Maryland, including the Delmarva Peninsula, Southern Maryland,
