

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Governor appoint a special oversight body composed of the Comptroller of the State, the Chancellor of the University of Maryland Baltimore City Campus, the Legislative Auditor, a representative of the medical profession, ~~[[and a citizen-at-large to act in a capacity similar to the referee-in-bankruptcy-concept]]~~ a member from each House of the General Assembly, and a citizen-at-large to work with the Hospital Committee of the Board of Regents in overseeing the implementation of the consultant's recommendations; and be it further

RESOLVED, That the Secretary of Budget and Fiscal Planning serve as Executive Director to this special oversight body and have as his responsibility monitoring on a continuing basis the actions being taken and the progress being made in streamlining the operational, financial, and management improvements necessary to obtain maximum levels of productivity and efficiency consistent with a satisfactory level of health care delivery; and be it further

RESOLVED, That the special oversight body shall report to the Legislative Council and to the Board of Regents, University of Maryland, on or before November 1, 1976, on the progress of cost reduction efforts and the activities of the special oversight body; and be it further

RESOLVED, That copies of this Resolution be sent to the Governor of the State, Comptroller of the State, the President of the University of Maryland, the Chancellor of the University of Maryland's Baltimore City Campus, the President of the Senate of Maryland, the Speaker of the House of Delegates of Maryland, the Legislative Auditor, and the Secretary of the Department of Budget and Fiscal Planning.

Approved May 4, 1976.

No. 38

(Senate Joint Resolution No. 73)

A Senate Joint Resolution concerning

Employment in the Building Construction Industry

FOR the purpose of urging building contractors to employ local construction workers.

The General Assembly is cognizant of the fact that the building construction industry is depressed and that a number of construction workers are out of work.
