No. 41

(House Joint Resolution No. 1)

A House Joint Resolution concerning

Out-of-State and Foreign Students in Maryland
Institutions

FOR the purpose of requesting that [[a Study Commission be appointed to]] the Maryland Council for Higher Education study the problem of out-of-state [[, including military personnel and their families,]] and foreign students in Maryland public colleges and universities.

The citizens of Maryland are fortunate in having a superior public higher education system. This system has been paid for with tax dollars by our citizens, and we can be justifiably proud of our efforts.

An important question now facing our public colleges and universities is how many out-of-state [[, including military personnel and their families,]] and foreign students can be admitted without jeopardizing the opportunities of Maryland students to get a quality education.

Although out-of-state [[, including military personnel and their families,]] and foreign students add to the diversity and cultural life of a college or university, the demand in our educational facilities is
