No. 62

(House Joint Resolution No. 128)

A House Joint Resolution concerning

Hunting with Muzzle Loaders

FOR the purpose of requesting the Wildlife Administrator of the Department of Natural Resources to provide a special big game season for muzzle loading hunters.

Throughout the eighteenth and nineteenth centuries the muzzle loader was the prize possession of the head of the family. It served as protection and a provider of food.

The grandfather of the muzzle loader was the flint lock musket. It was a single shot, smooth bore weapon that was complicated to load. Once loaded and hammer
