No. 66

(House Joint Resolution No. 174)

A House Joint Resolution concerning

Approval of changes in the rates of payment to outside examination monitors and physicians rendering pre-employment and evaluation physical examinations

FOR the purpose of indicating approval by the General Assembly of Maryland of the changes to the procedures for determining rates of payment for outside examination monitors and physicians rendering pre-employment and evaluation physical examinations as adopted by the Board of Public Works on March 24, 1976.

WHEREAS, Section 245(c) of Article 41 requires that the amendment of any rule or regulation which increases an agency's expenditures beyond budgetary limitations must receive the express approval of the General Assembly when the Legislature is in session; and

WHEREAS, At a meeting of the Board of Public Works on March 24, 1976, the Board adopted amendments to change the rate of payment to outside examination monitors and physicians rendering pre-employment and evaluation physical examinations. These amendments, effective April 1, 1976, will increase State expenditures beyond budgetary limitations as follows:

Outside monitors	\$ 4.00/hour	\$ 4.50/hour
Physical Examinations	\$10.00	15.00

WHEREAS, The amount of funds requested in the 1976 budget allowances for these services were based on rates in effect since fiscal 1970; now, therefore, be it
