

This bill will only add to the problem. For example, Senate Bill 912 would prevent a transfer across the street or a block away, if the new location is in another legislative district, but would permit transfers miles away if within the same district.

I do not feel that it would be wise to restrict the Board in this manner. The net effect of signing Senate Bill 912 may be to restrict almost all transfers of liquor licenses in Baltimore City. The Board should be entitled to exercise the limited discretion granted by Article 2B, without further limiting that discretion at this time.

For these reasons and at the request of the Board of Liquor License Commissioners for Baltimore City, I have decided to veto Senate Bill 912.

Sincerely,
Marvin Mandel
