

area of local government and bearing what will most likely be all the cost thereof.

For these reasons, I have vetoed House Bill 538.

Sincerely,  
Marvin Mandel  
Governor

-----  
House Bill No. 583 - Anatomy Board's Procedures

AN ACT concerning

Anatomy Board - Transportation of Human Specimens

FOR the purpose of requiring the Anatomy Board of Maryland to distribute cadavers to certain schools; authorizing the taking or transporting of certain human specimens outside the State for use at approved education programs; permitting a certain medical school under certain circumstances to receive, send, or transport cadavers outside of the State; and generally clarifying the language relating to human specimens ; and providing for certain exceptions .

May 17, 1976.

Honorable John Hanson Briscoe  
Speaker of the House of Delegates  
State House  
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed House Bill 583.

This bill deals with the distribution of human bodies under the custody and control of the Anatomy Board of Maryland. The Attorney General has advised me that the signing of House Bill 583 would raise several interpretative questions and, in one instance, would appear to result in at least one unintended change in the law. A copy of the Opinion of the Attorney General is attached and should be considered a part of this veto message.

While House Bill 583 is not clearly unconstitutional
