

House Bill No. 1164 - Unemployment Insurance Contributions
AN ACT concerning

Unemployment Insurance Law - Collection
of Contributions

FOR the purpose of providing that certain tax provisions applicable to corporations apply to the payment of unemployment insurance contributions.

May 17, 1976.

Honorable John Hanson Briscoe
Speaker of the House of Delegates
State House
Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17, of the Maryland Constitution, I have today vetoed House Bill 1164.

This bill specifies that the unemployment insurance contribution payments are included within certain tax provisions applicable to corporations.

Senate Bill 235, which was enacted by the General Assembly and signed by me on May 17, 1976, modifies the provisions relating to the structure, reorganization, management, and exercise of powers of corporations, associations, and other entities. In doing so, Senate Bill 235 also specifies that unemployment insurance contribution payments are included within the tax provisions applicable to corporations.

Since Senate Bill 235 accomplishes the purpose of House Bill 1164, it is unnecessary for me to sign House Bill 1164.

Sincerely,
Marvin Mandel
Governor
