

Annapolis, Maryland 21404

Dear Mr. Speaker:

In accordance with Article II, Section 17, of the Maryland Constitution, I have today vetoed House Bill 2080.

This bill provides for the expungement of police and court records in certain cases in which a criminal charge has resulted in a judgment of probation on stay of entry of judgment. This technical amendment is needed in order to conform the provisions of the expungement statute to the provisions of Section 641 of Article 27, as amended by Chapter 527 of the Acts of the General Assembly of 1975.

House Bill 2082, which was enacted by the General Assembly and signed by me on May 17, 1976, amended the expungement law in order to take into account a criminal charge which results in an acquittal on the grounds of insanity. During the legislative process, House Bill 2082 was amended to also conform to House Bill 2080, thus accomplishing the objectives of both bills in one vehicle.

Since the purpose of House Bill 2080 is accomplished by the enactment and signing of House Bill 2082, it is unnecessary for me to sign House Bill 2080.

Sincerely,
Marvin Mandel
Governor
