

certain terms for the purposes of this Section; to provide for the issuance of Bicentennial Housing Licenses by the Director of the Department of Environmental Protection and to set forth the scope of such licenses, which shall exempt holders thereof from compliance with the provisions of Chapter 54 which are otherwise applicable, as well as from the definition of "boardinghouse" as set forth in Ordinance 7-70; to authorize the County Executive to promulgate rules and regulations to implement and effectuate the purposes of this Section, and specifically to provide standards for the issuance and revocation of Bicentennial Housing Licenses, and the setting of fees therefor; to provide for penalties for the violation of this Section; and to provide for the automatic termination of this Section from and after the 31st day of December, 1976. [Note: Sections 54-69 through 54-75 added].

-----

Chapter 34

AN ACT to repeal and re-enact with amendments subsection (a), Section 25A-4, title "Submission of agreement as to construction of moderately priced dwelling units," and subsection (b) of Section 25A-5, title "Optional zoning provisions; waiver of requirements of Chapter", of Chapter 25A, title "Housing Moderately Priced", of the Montgomery County Code 1972, as amended, to provide that not less than the number of dwelling units allowable as increased units pursuant to the optional zoning provision shall be moderately priced dwelling units in a town sector or planned neighborhood zone; and to further provide, in order to clarify and reiterate the original intent, that waivers from this Chapter may be granted only with respect to the requirement of the number of moderately priced dwelling units to be constructed and not with respect to any other requirement or provision of this Chapter.
