During the month of April of each year, it shall be the duty of the board of estimates to make a correct, thorough and complete list or schedule of all the resources or sources of revenue from which any income to the county will accrue or be derived during the ensuing fiscal year, which schedule they or a majority of the board shall sign. Their signatures thereto shall be attested by their secretary. Each estimate shall be in full detail and shall plainly show for what purpose and in what amount the money so appropriated is to be expended. The said board of estimates or a majority of the members thereof shall sign the list of estimates and their signatures thereto shall be attested by their secretary. The board or a majority of the members thereof shall certify that each and every estimate in such list is in their opinion a necessary and proper estimate, after which they shall file the list of estimates with the county treasurer. Both the schedule of resources and also the list of estimates shall be published at least once in some daily and once in some weekly newspaper published in the county.
