

Title 11 of this article as to the Maryland Vehicle Law.

As to State Aviation Administration Police, see §5-212 of this title.

(L) STRUCTURE.

"STRUCTURE" MEANS ANY OBJECT CONSTRUCTED OR PLACED ON OR ABOVE THE GROUND, INCLUDING ANY BUILDING, FENCE, DERRICK, HAYSTACK, POLE, WIRE, TOWER, OR SMOKESTACK.

REVISOR'S NOTE: This subsection presently appears as Art. 1A, §1-122.

The present phrase "but without limitation" is deleted as unnecessary in light of the definition of "including" in §1-101 of this article.

The only other changes are in style.

REVISOR'S NOTE TO SECTION: In revising this section, the Commission to Revise the Annotated Code deleted present Art. 1A, §§ 1-117 and 1-120, which define "person" and "Secretary", respectively, as unnecessary in light of the similar definitions appearing in §1-101 of this article.

Present Art. 1A, §1-111, which defines "air school" is transferred to Subtitle 9 of this title. Present Art. 1A, §1-104, which defines "aeronautics instructor", is deleted as unnecessary; in this regard, see revisor's notes to §§5-901 and 5-902 of this title.

Present Art. 1A, §1-107, which defines "airman", is deleted as unnecessary. The only significant use of the term in the present law was in former Art. 1A, §6-602; that section was amended substantially by Ch. 190, Acts of 1976, and no longer employs the term.

Present Art. 1A, §1-106, which defines "air carrier" also is deleted as unnecessary. The term is used only in present Art. 1A, §1-109 (now subsection (h) of this section); as there used, no definition is needed nor is the present definition at all helpful.

Present Art. 1A, §1-113, which defines "municipality", is deleted as unnecessary and misleading. As used throughout this title, the term is intended to refer to a municipal corporation organized under Article 11E of the State Constitution and Art. 23A of the Code. Accordingly, in this title, the term
