

3-109.

(a) In calculating charges for WATER SUPPLY AND waste management contracts and in determining the local costs to be levied against a service district established pursuant to this subtitle, the Service shall require that the charges reflect the full costs of projects. The charges and costs to be levied against any particular municipality or person located within a service district shall take account of the value and capacity of any existing facility transferred by the municipality or person to the Service, and the costs and obligations assumed by the Service incidental to the transfer of the facility. To the extent deemed reasonable and practicable by the Service, charges FOR WASTE MANAGEMENT also shall be based on but not necessarily limited to a formula reflecting the volume and characteristics of the wastes as they influence transportation, purification, final disposal, and time pattern of discharge.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect July 1, 1977.

Approved April 12, 1977.
