for Budget
Operations - July 1, 1978

** Includes \$10,531,710 General Fund surplus, Federal Fund reductions in the amount of \$4,502,215; \$24,769,948 undistributed Special Fund revenue of which \$24,134,289 is attributed to the Department of Transportation.

SECTION 44 10. AND BE IT FURTHER ENACTED, That the following appropriations or so much thereof as are hereinafter listed in this Section 11, are expressly contingent upon the enactment of legislation in the 1977 regular session of the General Assembly providing that the State's share of Lottery Revenues collected in FY 1978 shall be placed in the General Fund for FY 1978; and, if such legislation is not so enacted, said appropriations, or the parts thereof hereinafter listed in this Section 11 as being contingent upon such legislation shall be void. The provisions of this Section 11 are confirmatory of the contingency conditions attached to each such appropriation as it appears in this Budget Bill, and are for the purpose of summarizing those appropriations and parts of appropriations that are contingent upon the enactment of the aforementioned legislation.
